

The 16th

INTERNATIONAL KITANO ENDO SEMINAR

This time, we invite Dr Alan Moses, who is a distinguished expert in diabetes mellitus to IKES. He was Professor Harvard Medical School and Senior-Vice President of Joslin Diabetes Center until 2004. He was also a editor of ‘Joslin’s Diabetes Mellitus’, which is a must-read for all experts of diabetes mellitus. He will talk about recent topics of incretin mimetics, insulin analogues, especially about their safety concerns.

TIME & PLACE : 18:00-19:00 July 29th (Wednesday), 2009

The 7th CONF Room, KITANO Hospital
